Corporate Overview

VSST Inc. is a Korea-based provider of high-quality mobile multimedia products and services including mobile streaming technology, real-time monitoring of infrastructure and the environment, ubiquitous sensor networks, and broadcast mobile applications.

The business is divided into three focused areas.

The Mobile Solutions business devoted to mobile monitoring for home automation, traffic broadcasting, security surveillance, and personal mobile monitoring. The second area is the **Mobile Contents Service** that provides entertainment content for games and entertainment as well as mobile marketing service that provides a gift card service. The third portion of the business is called **Ubiquitous Network** and provides wireless sensors that allow monitoring of buildings and businesses such as casinos or other complex environments.
